CURRICULUM VITAE HIGHLIGHTS
PEDRO H. ALBUQUERQUE

Ph.D. in Economics from the University of Wisconsin - Madison, December 2001. Major in macroeconomics and monetary economics, minor in econometrics. Supervisor: Professor Kenneth D. West. Passed the preliminary examination in macroeconomics for the Ph.D. degree with distinction. B.S. in Electrical Engineering from the University of Brasília. IEEE Senior Member and Senior Editor of the IEEE Transactions on Technology and Society (IEEE-TTS).

Research Fellow at the Aix-Marseille School of Economics (AMSE), Aix-Marseille University, since 2010 and cofounder of ACCELERATION & ADAPTATION. Taught in business schools at the University of Minnesota Duluth and at Texas A&M International University. Experience with academic accreditation (AACSB, AMBA and SACS) as course coordinator and member of accreditation and program committees. History of quality teaching evaluations by students. Mentor of graduate students (including three selected Fellows) for the Schmidt-MacArthur Fellowship of the Ellen MacArthur Foundation.

Worked as Senior Adviser for the Central Bank of Brazil as coordinator of research groups in the Research Department and as creator and editor of the institution's Working Paper Series. Was consultant for the International Monetary Fund, the Tunisian Institute of Competitiveness and Quantitative Studies, the Central Bank of Angola, and the Central Bank of Bolivia. Was member of the team of economists in the Central Bank of Brazil that implemented the ongoing inflation-targeting monetary regime of 1999 and the successful monetary stabilization program of 1994. Previous government experience in budgeting and debt financing and private sector experience as engineering project director in an IT startup. His research on violence at the US-Mexico border and on the Brazilian CPMF tax has been extensively covered by the national and international press.

Published articles in a large number of scientific journals and was a presenter in many leading international conferences, in fields as varied as occupational science, engineering, economics, finance and social studies. His current areas of interest are: technology studies, cybernetics, occupational science, and sustainability.

French and Brazilian citizen. Fluent in English, French and Portuguese, and capable in Spanish. Lived in four countries and worked under contract in seven countries on five continents.

CURRICULUM VITAE

PEDRO H. ALBUQUERQUE

- ORCID: 0000-0002-5034-3082
- HAL: pedro-albuquerque

ACADEMIC BACKGROUND

EDUCATION

- University of Wisconsin – Madison, Ph.D. in Economics, December 2001.
- University of Wisconsin – Madison, M.Sc. in Economics, August 1998.
- University of Brasília, M.Sc. in Economics, December 1994.
- Escola Nacional de Administração Pública (ENAP), postgraduate diploma in Public Policy and Public Administration, Brasília, September 1990.
- University of Brasília, B.S. in Electrical Engineering, August 1988.

ACADEMIC AND PROFESSIONAL HONORS

- IEEE Senior Member, 2024.
- Tenured by the University of Minnesota, 2010.
- Second prize of the VI Brazilian National Treasury Competition, Topics in Public Finance, with the article "Os Impactos Econômicos da CPMF: Teoria e Evidência." Brasília, 2001.
- Passed with Distinction the macroeconomics preliminary exam for the Ph.D. degree in Economics. University of Wisconsin – Madison, 1997.
- M.Sc. Dissertation approved with Honors. University of Brasília, 1994.

PROFESSIONAL EXPERIENCE

ACADEMIC

- Research fellow at the Aix-Marseille School of Economics, Aix-Marseille University, since Fall 2010.
- Associate Professor at the École supérieure de commerce de Marseille (Euromed Management) and the Renmin University of China from Fall 2010 to Fall 2022. Taught:
  (1) International Financial System (Master PGE);
  (2) Geopolitics and Trade Strategies (Master PGE);
  (3) International Trade Policy and Business Strategy (Master PGE);
  (4) Applied Business and Financial Forecasting (Master PGE);
  (5) Global Business Environment (Master PGE);
  (6) Global Political Economy (Master PGE);
  (7) International Money, Banking and Financial Regulation (Master PGE and Msc Corportate Finance);
  (8) Commerce International, Politique et Stratégie des Firmes (Master PGE);
  (9) Sustainable Development (IBBA and Bachelor);
  (10) Développement Durable (IBBA);
  (11) Global Financial Regulations (Summer School);
  (12) Sustainable Development and Social Responsibility (Summer School);
  (13) Macroeconomics (IFC);
  (14) Banking and Financial Econometrics (Master 2).

- Assistant Professor tenured and promoted to Associate Professor in 2010 at the University of Minnesota Duluth, Labovitz School of Business and Economics, from Summer 2007 to Spring 2010. Taught: (1) Monetary Theory and Policy;
  (2) Principles of Economics: Macro;
  (3) Money and Banking;
  (4) Public Finance;
  (5) Macroeconomic Analysis;
  (6) Tools: Applications of Economic Analysis (Advanced Econometrics).
- Assistant Professor at Texas A&M International University, College of Business Administration, from Fall 2002 to Summer 2007. Taught:
  (1) Money and Banking;
  (2) International Economics (Ph.D.);
  (3) Advanced Econometrics (Ph.D.);
  (4) Managerial Economics (MBA and undergraduate).
- Teaching Assistant at University of Wisconsin – Madison, Department of Economics, from Spring 1997 to Spring 1998. Taught:
  (1) Principles of Macroeconomics;
  (2) Intermediate Macroeconomics.
- Teaching Assistant at University of Brasília, Department of Economics, in 1993. Taught:
  (1) Applied Time Series and Forecasting (Master).

NONACADEMIC

- Cofounder of the enterprise ACCELERATION & ADAPTATION, since April 2023.
- Instructor, Timberlake Consultants (Introdução ao EViews), Fall 2023.
- Consultant to the Tunisian Institute of Competitiveness and the Quantitative Studies (ITCEQ) under the technical assistance support of the African Development Bank, from December 2010 to Mars 2011.
- Senior Adviser to the Research Department of the Central Bank of Brazil from July 1999 to July 2002. Member of the team of economists that implemented the inflation-targeting monetary regime in Brazil.
- Consultant to the Central Bank of Bolivia under the technical assistance program of the Monetary and Exchange Affairs Department, International Monetary Fund, from May 13 to 25 and October 28 to 29, 2002.
- Consultant to the Central Bank of Angola under the technical assistance program of the Monetary and Exchange Affairs Department, International Monetary Fund, from February 11 to 19, 2002.
- Economic Analyst of the Central Bank of Brazil from January 1992 to July 1995. Member of the team of economists that implemented the monetary stabilization program of 1994 (Plano Real).
- Adviser to the Bureau of the Public Debt Commissioner, Brazilian Secretariat of the National Treasury, from August 1991 to January 1992.
- Public Budget Analyst of the Brazilian Secretariat of the Federal Budget from November 1990 to August 1991.
- Engineering project coordinator at ATIVU Tecnologia, Brasília, from 1988 to 1990.

EDITOR, REFEREE AND REVIEWER

- Senior Editor of the IEEE Transactions on Technology and Society (IEEE-TTS) since March 2026.Associate Editor of the IEEE Transactions on Technology and Society (IEEE-TTS) from August 2024 to March 2026.
- Associate Editor of the IEEE Transactions on Technology and Society (IEEE-TTS) from August 2024 to March 2026.
- Editorial Board, Communications of the Association for Information Systems (CAIS), Special Issue - Digital Transformation of Higher Education: Pedagogical Innovation Toward Education 4.0?, 2024 et 2025.
- Creator and first editor of the Central Bank of Brazil Working Paper Series, from June 2000 to October 2001.
- Refereed articles for:
  (01) American Journal of Public Health;

(02) Applied Economics incorporating Applied Financial Economics;
(03) Ecological Economics;
(04) EconomiA;
(05) Economic Development and Cultural Change;
(06) Economic Modelling;
(07) Economics;
(08) Economics Research International;
(09) Financial Innovation;
(10) Geopolitics;
(11) IEEE International Conference on Systems, Man, and Cybernetics;
(12) IEEE Transactions on Technology and Society;
(13) International Journal of Economic Sciences and Applied Research;
(14) International Tax and Public Finance;
(15) Journal of Banking and Finance;
(16) Journal of Borderlands Studies;
(17) Journal of Economics and Business;
(18) Journal of Industrial Ecology;
(19) Journal of International Economics;
(20) Journal of International Money and Finance;
(21) Journal of Money, Credit and Banking;
(22) Journal of Occupational Science;
(23) Journal of Public Economic Theory;
(24) Journal of Public Economics;
(25) Pesquisa e Planejamento Econômico;
(26) Research in International Business and Finance;
(27) Revista Brasileira de Economia;
(28) Scottish Journal of Political Economy;
(29) The International Trade Journal;
(30) UKAIS 2025: Annual Conference of the UK Academy for Information Systems 2025.

- Book reviewer for South-Western/Thomson Learning.
- Book reviewer for McGraw-Hill.

- "MICROFASE: CAD for microwave filters with simultaneous phase and amplitude optimization," *Proceedings of 3rd International Symposium on Recent Advances in Microwave Technology (ISRAMT'91)*, ISRAMT Technical Program Committee, Electrical Engineering Department, University of Nevada, Reno, Nevada, USA, August 1991.

MONOGRAPHS

- Albuquerque, P. H. (2001): "Three essays on time-series macroeconomics." Ph.D. Dissertation, University of Wisconsin – Madison. Dissertation Advisor: Dr. Kenneth D. West. Readers: Dr. Yuichi Kitamura and Dr. Donald Nichols. Nonreaders: Dr. Bruce Hansen and Dr. Ananth Seshadri.
- Albuquerque, P. H. (1994): "Do agente microeconômico à função macroeconômica: Uma proposta para a agregação com exemplos." M.Sc. Dissertation, University of Brasília. Advisor: Dr. Alexandre A. Tombini.

OTHER PUBLICATIONS

- Albuquerque, S. & P. H. Albuquerque (2025): "The Great Reset", *Occupational Punk Vol 3: Everyday odyssey*, OpenPhysio, 48-60.

ACADEMIC PRESENTATIONS

RECENT PRESENTATIONS IN CONFERENCES

- "Supporting occupational transitions for sustainable, healthy, just and fair ways of living," coauthors Valérie Lafond, Sophie Albuquerque, Pier-Luc Turcotte, Federico Valgimigli, Louis Pierre Côté, Marie-Hélène Lévesque & Marie-Josée Drole, Occupational Science Europe Conference 2025 (OSE 2025), Colchester, August 2025.
- "The occupational singularity: Cognitive technologies as new drivers of inequality," coauthors Jorge Araujo & Sophie Albuquerque, French/Japanese Conference on Asian and International Economies in an Era of Globalization (FJC 2024), Aix-en-Provence, September 2024.
- "Framing cognitive machines: A sociotechnical taxonomy," coauthor Sophie Albuquerque, IEEE Engineering Informatics conference 2023 (EI2023), Melbourne, November 2023.
- "The occupational singularity: A theory of accelerating technological disruptions of human occupations," coauthor Sophie Albuquerque, SSO:USA Annual Research Conference, St. Louis, October 2023.
- "Technological disruptions and cybernetics: An occupational singularity theory of rising inequality," coauthor Sophie Albuquerque, CORA 2023 - Conference on Robots and Automation, Frankfurt, September 2023.
- "Technological innovations and obsolescence: Leveling the playing field for remanufacturing," coauthor Kiara S. Winans, 2023 IEEE International Symposium on Technology and Society (ISTAS), Swansea, September 2023.

- "The occupational singularity: A theory of accelerating technological disruptions of human occupations," coauthor Sophie Albuquerque, Occupational Science Europe Conference, Odense, August 2023.
- "Social implications of technological disruptions: A transdisciplinary cybernetics science and occupational science perspective," coauthor Sophie Albuquerque, IEEE International Symposium on Ethics in Engineering, Science, and Technology (ETHICS), West Lafayette, May 2023.
- "The increasing impact of Spain on the equity markets of Brazil, Chile, and Mexico," coauthors Andres Rivas, Rahul Verma, & Antonio Rodríguez, 27th Annual CSWHT - Western Hemispheric Trade Conference, Laredo, April 2023.
- "Technological disruptions and cybernetics: An occupational singularity theory," coauthor Sophie Albuquerque, International Workshop on Economic Growth and Macroeconomic Dynamics, Rome, September 2022.
- "The wealth of occupations: On a theory of a post-labour society," coauthor Sophie Albuquerque, WOSC - Innaugural World Occupational Science Conference, Vancouver, August 2022.

SELECTED PRESENTATIONS BY INVITATION

- "The occupational singularity: existential threat or existential crisis?," IEEE SA 2023 AuDIITA Workshop, Swinburne University of Technology, Melbourne, November 2023.
- "How bad is BAD taxation? Disintermediation and illiquidity in a bank account debits tax model," International Monetary Fund, Washington, DC, November 2001.
- "How bad is BAD taxation? Disintermediation and illiquidity in a bank account debits tax model," EPGE – PUC Rio – USP Meeting of Macroeconomics, Rio de Janeiro, August 2001.
- "Monetary regime and shocks," Brazilian Financial System Workshop for the Chinese Mission in Brazil, University of Brasília, November 2000.

SELECTED PRESENTATIONS IN CONFERENCES

- "Banking stability, natural disasters, and state fragility," coauthor Wassim Rajhi, 22nd Dynamic Econometrics Conference, Nuffield College, University of Oxford, September 2019.
- "Inequality-driven growth: Unveiling aggregation effects in growth equations," 2005 North American Winter Meeting of the Econometric Society (NAWM), a joint meeting with the American Economic Association as part of the Allied Social Science Association Meeting, Philadelphia, January 2005.
- "How bad is BAD taxation? Disintermediation and illiquidity in a bank account debits tax model," 2002 North American Summer Meeting of the Econometric Society (NASM), Los Angeles, June 2002.
- "A simple nonparametric long-run correlation estimator," 56th Econometric Society European Meeting (ESEM), Lausanne, August 2001.

ACADEMIC SERVICES

GRANTS

- Schmidt-MacArthur Fellowship, Summer 2015, Summer 2016, Summer 2017.
- Dean's Research Publication Award, Labovitz School of Business and Economics, University of Minnesota Duluth, Fall 2009.
- Dean's Research Publication Award, Labovitz School of Business and Economics, University of Minnesota Duluth, Spring 2009.
- Dean's Travel Fund, Labovitz School of Business and Economics, University of Minnesota Duluth, Fall 2008.
- Dean's Research Publication Award, Labovitz School of Business and Economics, University of Minnesota Duluth, Fall 2008.
- Office of the Vice President for Research Special Research Funding, University of Minnesota, Spring 2008.
- Texas Center Research Fellows Grant Program, Texas A&M International University, 2006.
- College of Business Administration Summer Research Grant, Texas A&M International University, 2006.

- University Grant, Texas A&M International University, 2005-2006.
- College of Business Administration Summer Research Grant, Texas A&M International University, 2005.
- Faculty Senate University Mini-Grant, Texas A&M International University, 2004-2005.
- Texas Center Research Fellows Grant Program, Texas A&M International University, 2004.
- College of Business Administration Summer Research Grant, Texas A&M International University, 2004.
- College of Business Administration Summer Research Grant, Texas A&M International University, 2003.

- Review of Economic Studies Travel Fund, 2002.
- CNPq (Brazilian National Research Council) Doctoral Scholarship (joint with the Central Bank of Brazil), 1995-1999.
- Central Bank of Brazil Doctoral Scholarship (joint with the CNPq), 1995-1999.
- CNPq (Brazilian National Research Council) Scientific Initiation Scholarship, 1987.

ACADEMIC ADVISING AND SUPERVISION

- Ph.D. supervisor of Antoine Awad in the ECRICOME programme, title of dissertation: "Shareholder Value Creation through Corporate Voluntary Disclosures in Emerging Markets: Empirical Evidence from the GCC Equity Markets" (2018).
- Academic Mentor of candidates to the Schmidt-MacArthur Fellowship (Ellen MacArthur Foundation), 2013 to 2018. Mentor of three selected Fellows.
- Academic advisor, program PGE Master, from 2011 to 2022.
- Academic advisor, program IBBA, from 2010 to 2022.
- Academic advisor, Undergraduate Research Opportunities Program (UROP), University of Minnesota, from November 2008 to April 2009.
- Academic advisor, Ph.D. in International Business, Texas A&M International University, from April 2006 to May 2007.
- Institutional graduate supervisor, Central Bank of Brazil, January 2001 to July 2002.

CONFERENCE ORGANIZATION

- Organizing committee member of the Twelfth Annual Conference Western Hemispheric Integration in a Competitive Global Environment, Laredo, March 2007.
- Program Co-Chair of the Tenth Annual Conference Western Hemispheric Development Challenges in the Global Context, Laredo, April 2005.
- Coordinator of the Cross-Border Workshop of Economics and Finance, Laredo, October 2004.
- Organizing committee member of the Ninth Annual Conference Trade and Investments in the Americas: The Challenge of Globalization, Laredo, March 2004.

SELECTED CONFERENCE CHAIR ACTIVITIES

- International Workshop on "Poverty and individual decisions in developing countries: What do we learn from macroeconometrics?" AFD and Aix-Marseille School of Economics (AMSE), Marseille, October 2011.
- Workshop "Financial integration/globalization and economic crisis: What are the links?" Aix-Marseille School of Economics (AMSE), Aix-en-Provence, March 2010.
- Session "Inequality and growth," 2005 North American Winter Meeting of the Econometric Society (NAWM), a joint meeting with the American Economic Association as part of the Allied Social Science Association Meeting, Philadelphia, January 2005.
- Session "Growth I," IX Annual Meeting of the Latin American and Caribbean Economic Association (LACEA), San Pedro, November 2004.
- Session "Economic resources and trade," 8th Conference Free Trade in the Americas, Laredo, April 2003.
- Session "Taxation," XIX Latin American Meeting of the Econometric Society (LAMES), São Paulo, July 2002.
- Session "Monetary policy," V Meeting of the Network of America Central Bank Researchers, Centro de Estudios Monetarios Latinoamericanos (CEMLA), Rio de Janeiro, October 2000.

SELECTED CONFERENCE DISCUSSANT ACTIVITIES

- Workshop "Financial integration/globalization and economic crisis: What are the links?" Aix-Marseille School of Economics (AMSE), Aix-en-Provence, March 2010.
- Session "Security issues," Eleventh Annual Conference Global Trade & Investment Challenges for Western Hemispheric development, Laredo, April 2006.
- Session "Growth I," IX Annual Meeting of the Latin American and Caribbean Economic Association (LACEA), San Pedro, November 2004.
- Session "Income inequality," Conference Economic Growth and Distribution: On the Nature and Causes of the Wealth of Nations, Lucca, June 2004.
- Session "Open macroeconomics and growth," Ninth Annual Conference Trade and Investments in the Americas: The Challenge of Globalization, Laredo, March 2004.

OTHER SELECTED ACADEMIC SERVICES

- Jury member, ESC Marseille (Euromed Management) Be-U, since Fall 2011.
- Jury member, ESC Marseille (Euromed Management) Admissions, since Spring 2011.
- Jury member, SimONU, Fall 2013.
- Jury member, SimONU, Fall 2011.
- LSBE Technology Committee, University of Minnesota Duluth, from Fall 2009 to Spring 2010.
- LSBE Intellectual Contributions Committee, University of Minnesota Duluth, Fall 2007 to Spring 2009.
- SACS Assessment Committee of the BBA in Economics Program, Texas A&M International University, from Spring 2005 to Spring 2006.
- International Business Administration Ph.D. Committee, Texas A&M International University, from Fall 2003 to Spring 2004.

OTHER INFORMATION

LANGUAGE PROFICIENCY

- English: fluent speaker.
- French: fluent speaker.
- Portuguese: native speaker.
- Spanish: good reader, basic speaker.

GENERAL INTEREST

- Skilled in programming techniques and languages (R, BASIC, FORTRAN and PASCAL), econometric software (GAUSS, Limdep, Nlogit, EViews, PCGive, SAS, SCA, Stata and TSP), and calculation software (Sage, Mathcad).
